The verification of conformity is based on an evaluation of a sample of the above-mentioned product. Technical report and documentation are at the applicant's disposal. This is to certify that the tested sample is in conformity with all provisions of Annex II of Council Directive 2014/30/EU, in its latest amended version, referred to EMC Directive. The verification does not imply assessment of the production and does not permit the use of Lab's logo. The applicant of the verification is authorized to use this verification in connection with EU declaration of conformity to Article 15 of the Directive.
